**NOTE 1 – DESCRIPTION OF ORGANIZATION AND NATURE OF ACTIVITIES**

Students Without Mothers Inc. (“The Organization”) is a Section 501(c)(3) not-for-profit corporation dedicated to helping high school students without mothers help themselves by empowering them to continue their education. The organization’s main purpose is to provide life coaching and scholarships to college bound high school seniors who are without their mothers due to death or other unfortunate circumstances.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The summary of significant accounting policies of The Organization is presented to assist in understanding the Organization’s financial statements and notes. The financial statements and notes are representations of the Organization’s management, who are responsible for their integrity and objectivity.

**Estimates**

Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could vary from estimates that were assumed in preparing the financial statements.

**Basis of Accounting**

The accompanying financial statements of the Organization are presented on the accrual basis of accounting.

**Financial Statement Presentation**

The Organization prepares its financial statements in accordance with FASB ASC Topic 958, Financial Statements of Not-for-Profit Organizations. Under FASB ASC 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets, unrestricted, temporarily restricted, and permanently restricted.

**Classification of Net Assets**

Net assets are reported separately by class as follows:

*Permanently Restricted Net Assets* – Contributions and other inflows of assets whose use is limited by donor-imposed stipulations that the resources must be maintained permanently.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(CONTINUED)**

*Temporarily Restricted Net Assets* – Contributions and other inflows of assets whose use is limited by donor-imposed stipulations that will expire by donor payment of pledge, passage of time, or can be fulfilled and removed by actions of the entity, such as usage for specific programs.

*Unrestricted Net Assets* – Unrestricted net assets result from revenues derived from unrestricted contributions, return on investments, and other inflows of assets in which use is not limited by donor-imposed restrictions less expenditures. To the extent authorized by the donor, earnings from permanently restricted net assets are available to support the unrestricted activities of the Organization.

**Revenue Recognition**

Contribution revenue is recognized when assets or commitments of unconditional promises to give are received. Grant revenue is recognized as earned and expenses recognized are incurred. Contributions of assets other than cash are recorded at fair value at the date of donation. Contributions restricted in perpetuity are classified as permanently restricted. Contributions that are restricted by the donor for a specific time or purpose, or unpaid contributions not explicitly designated as available to support current operations are reported as temporarily restricted contributions, except those contributions whose restrictions are met in the current fiscal year are recognized as unrestricted revenue. When a donor-stipulated time restriction ends or purpose restriction is accomplished, or when a pledge not designated for current year use is paid, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

All unconditional promises to give, which are expected to be received beyond one year, are discounted to their net present value. Receivables from both pledge and exchange transactions are reduced by any estimated uncollectible amounts.

**Allocation of Expenses**

The costs of providing the various programs and other activities are summarized on a functional basis in the accompanying financial statements. Accordingly, certain costs have been allocated among the various programs and supporting services benefited as required by FASB ASC 958-205.
